How to Make a Christmas North Pole Decoration

*The ultimate holiday decoration project for families,
schools, clubs, youth groups & churches*

By Dr. Wan-Yu Chao & Ronald Kerble

This book will tell you how to create a wonderful **Christmas North Pole** decoration while building stronger ties with your family, friends, church and community members. This family or group **Christmas North Pole** project will have everyone contributing their time, energy and talent to this amazing adventure. This 10 foot tall indoor or outdoor **Christmas North Pole** will be the center of your neighborhood while drawing everyone together with a single goal.

If you want to start a youth group project, create a wonderful decoration or just have fun, then start planning your **Christmas North Pole** decoration today. Everyone will marvel at the magnificent splendor you have created while strengthening the bonds between you and those you cherish. You will also create a 3 foot **Holiday South Pole** decoration with the extra supplies.

With very little expense, you will not only make a glorious decoration but create an everlasting friendship with those around you and your family. These ties will link you to your neighbors, club members and the church forever.

Take pictures as you go. These pictures will be great to send to family and friends or in a newsletter. Add them to your websites and send a picture to us, so we can add them to our website @ www.ihadapetfrog.com as you become part of our family.
